TWO ROW • MUNICH • C60L
C150L • PALE CHOCOLATE
KILN COFFEE • BREWERS OATS
EXTRA DARK CRYSTAL

HOPS

Visible Ink is the stuff of legends, featuring a lavish blend of coconut, vanilla, and our in-house roasted Idea Machine coffee. Imagine a coconut macaroon dipped in molten chocolate - now imagine that scent wafting straight to your nose. Yeah, it's like that. It's roasty, complex, and remarkably easy drinking. Brace yourself for pure decadence, friend.
